

# GREENHOUSE GALLERY

## EXPRESSION OF INTEREST

**Guernsey Arts** is a charity which supports Island Artists and Arts organisations. Our aim is for the Bailiwick of Guernsey to be the most vibrant artistic community it can be, across all aspects of the arts.

The Greenhouse Gallery is one of two gallery spaces curated by Guernsey Arts. The aim of the Greenhouse Gallery is to showcase the work of artists living locally and to give opportunities for solo and group shows.

Completion of this expression of interest form ensures that our exhibition programming is diverse and varied. Our aim is to ensure that our programming takes into account artists from different backgrounds and artistic disciplines with fair representation throughout the year. We may on occasion also curate shows featuring our own theming.

As part of this submission form, you will find dimensions of the exhibition space and questions regarding exhibition concepts to be filled out to the best of your ability. Please include examples of your work or any other materials or experience that may support your submission.

Thank you so much for expressing interest in the Greenhouse Gallery. Please note that exhibition spaces are limited and the gallery is often booked up to 18 months in advance if we are not able to facilitate your request, this may not be indicative of work quality, but reflective of our programming commitments.

Completed submissions may be handed in to the Guernsey Arts office at Candie Museum, or sent to [info@arts.gg](mailto:info@arts.gg). If you have any questions regarding your submission, please do not hesitate to get in touch.

**Disclaimer:** Your artwork is of your own origination and you own all moral and intellectual property rights in that artwork.
